6. Cancellation Policy

Classes are limited in space so that everyone attending receives adequate training. Therefore we may have a waiting list of others who would like to attend the class. For that reason, any cancellation made within 30 days of the start of class will be charged 20% of the tuition cost of the class. Your facility is allowed, however, to send a substitute in place of the original attendee or change to a different date at no charge.

7. General Comments

Please submit your application at least 4 weeks in advance as classes fill up quickly. If less then 4 weeks in advance call to check space availability. Class will start at 8:30am each day. Class will end at approximately 4:30 each day (trainer will inform of any changes). Please check the schedule to see approximately what time class will end on the last day. If your flight is too early, you may miss important information that could prevent you from completing the course.

8. Signature

Please sign below to indicate that all of the information on this form is correct and that you have read and understand Mar Cor Purification's certification and cancelation policies. This must be signed.
